St Martin's Press. Paperback. Book Condition: new. BRAND NEW, The Unincorporated Man, Dani Kollin, Eytan Kollin, The incredible has happened. A billionaire businessman from our time, frozen in secret in the early 21st century, is discovered in the far future and resurrected, given health and a vigorous younger body. He awakens into a civilization in which every individual is formed into a legal corporation at birth, and spends many years trying to attain control over their own life by getting a majority of his or her own shares. Life extension has made life very long indeed. Justin Cord is the only unincorporated man in the world, a true stranger in this strange land. Justin survived because he is tough and smart. He cannot accept only part ownership of himself, even if that places him in conflict with a civilization that extends outside the solar system to the Oort Cloud.
